## **Conclusion**

**We give thanks to Almighty God for providing for refugees in the entire world especially in Uganda. We highly appreciate the work done by our donors; supporting HEM projects in Uganda. May God bless you abundantly! Together we shall save lives of many people especially the voiceless!**

**We continue to appreciate UNHCR and OPM for the good collaboration with us in three refugee settlement (Kyaka II, Nakivale, Kyangwali) plus Kampala Urban refugees.**

**We cannot forget the work done during this month by people who prayed intensively for our safety in the period of trouble faced by HEM top leaders. May God bless you extremely! You have done really a wonderful work!**

**As world food program and UNHCR declared that refugees will no longer be supported, many refugees especially children and old people will suffer a lot! We are requesting everyone to advocate for them! Those are our brothers and sisters!!! We have to care for them and support them.**

**May God bless you all!**
