HEM FINANCIAL STATEMENT OCTOBER 2023

Dear Donors, on behalf of HEM Executive Committee, I am writing to express our deepest gratitude for your generous and unwavering support in the month of October 2023.

Your commitment to making a positive impact on the lives of others has been truly remarkable. Through your compassion and generosity, we have been able to extend crucial assistance to total orphans, the elderly, widows, and other vulnerable individuals within our community of refugees.

Throughout October, your donations have played a pivotal role in providing essential resources, including nutritious meals, medical care, educational support, and shelter, to those who need it the most. The impact of your kindness has been immeasurable, bringing hope and comfort to individuals facing challenging circumstances.

Your dedication to making a difference has not only met immediate needs but has also sown the seeds for a brighter and more secure future for those we serve. The stories of gratitude and resilience from the beneficiaries of your support serve as a testament to the positive change your contributions have catalyzed.

At HEM, we are committed to transparency and accountability. We want you to know that every penny of your donation has been utilized judiciously to maximize its impact. Our team is dedicated to ensuring that your support continues to make a meaningful difference in the lives of those less fortunate.

Once again, thank you for being a beacon of hope and a source of strength for our community. Your kindness has made a lasting impression, and we are immensely grateful for your continued partnership in our mission to uplift and empower the vulnerable.

We value your involvement and are always eager to keep you informed about the positive changes your support is bringing about.

Wishing you and your loved ones the very best, and looking forward to your continued partnership.

With sincere appreciation,

The HEM Team
