## *HEM Activities Report September 2023 “HEM 10 years Anniversary”*

With this report, let me take this opportunity to appreciate our dear donors for funding our projects so that our beneficiaries be able to survive. May God bless you abundantly!

Allow me to also appreciate all stakeholders who have contributed in one way or another through prayers, connections, contributions, advocacy and so on to see that HEM meets its achievements within this month of September 2023. May God bless the works of your hands too!

We appreciate so much HEM staff for their efforts, commitment and love for vulnerable people especially total orphans! Without you HEM could not reach this stage!

We cannot forget our dear beneficiaries, especially our caregivers who uses their efforts, time and resources to care for vulnerable total orphans. Really you are doing an excellent work. We bless you abundantly!

In September, we supported 188 total orphans, 98 elderly, widows and handicapped together, 202 were trained in financial inclusion and saving culture, 71 students are doing ISOM Bible studies, 90 were given counseling, and 4 new churches started and supported.

HEM is still committed to caring for total orphans supporting elderly, promoting financial inclusion through saving culture and work, training church leaders and also evangelism and church planting. Together we shall make it happen!

May God bless you!!
