PSALM 115:1

HEM Activities Report August 2023 “HEM 10 years Anniversary”

This baby girl was found in the home around her mother dead! She was crying so much!

This old man was the one who opened the home and find her around her mother dead! He brought the baby to HEM office for help!

Hem staff (Devota) took the baby to UNHCR and OPM, but they send her back to HEM for help!

HEM gave her a caregiver and food, it is still advocating for her!

May God bless the baby and her caregiver!

CONCLUSION

We take this opportunity to appreciate the Almighty God for His provision and protection to HEM.

Allow me to also appreciate our partners and friends who have contributed in one way or another to see that HEM meets its achievements within the month of August 2023. Really, you have done unforgettable work. May God bless you.

We appreciate so much all those who contributed financially and also those still contributing to HEM activities. We appreciate the work you have done. Without you HEM could not reach this stage. May God bless you. We give thanks to our dear beneficiaries, especially our caregivers who spent their efforts, time and resources to care for vulnerable total orphans. We bless you abundantly! May Almighty God protect and provide for you and your family members.

HEM is still committed to caring for total orphans and elderly, promoting financial inclusion through saving culture and work/business, training church leaders and also evangelism for all. As you see on this report many people have been helped during this month of August 2023. Glory to God!!

Dear donors, let us remain committed and fight together to reach more vulnerable people through your financial support, connections, advocacy and prayers. Together we shall continue to make it happen!
