## 6. Conclusion

It is a great pressure to thank God for the work done during this month of April 2021. We also appreciate our Donors for their continuous funds and support. May God continue to bless them abundantly. Unfortunately, the needs are always greater than the resources we have available. Online donations can be made on our website at: [www.HEMAfrica.org](http://www.HEMAfrica.org). We appreciate OPM and UNHCR and other stakeholders for their support and cooperation to see that HEM fulfils its objectives.

HEM is a refugee initiative, aiming to bring back hope to vulnerable people especially refugees. After eight years of experience in working with refugees we are still committed to continue supporting them; it is now time for UNHCR to do more to support HEM, and to connect and advocate for HEM Projects.

May God bless you,
