## **Conclusion**

**Dear donors, we appreciate so much your great commitment of caring and supporting vulnerable people: Total orphans, Elderly, Widows, and malnourished. As we are starting the new year, we pray that the Almighty God will continue to bless you so that we be continuing to be blessed by your donations. May God Bless you abundantly especially this year 2023.**

**This year, we shall have many changes related to insecurity problems faced by some among HEM leaders, but we are still believing in God who started the Ministry. Joseph and David faced many problems but their future were wonderful! With God everything will be good and nice!**

**We appreciate UNHCR and OPM for hosting a big number of refugees in Uganda and giving opportunity to some refugee leaders to help each other among refugees and to look for donors supporting them. May God bless you too!**

**Finally, let me give thanks to everyone who contributed so that we reach these achievements in January 2023.**

**May God bless you all,**
