

Celebrating 12 Years of Impact: A Heartfelt Thank You

Dear Terry MacDonald and Joan,

Today, May 12, 2025, marks a deeply meaningful milestone :12 years of faithful service and impact through Hope for Eternity Ministry (HEM), from our humble beginnings on May 12, 2013, to today. As we look back, our hearts are full of gratitude for what God has done and for each one of you who has stood with us in prayer, action, and generosity.

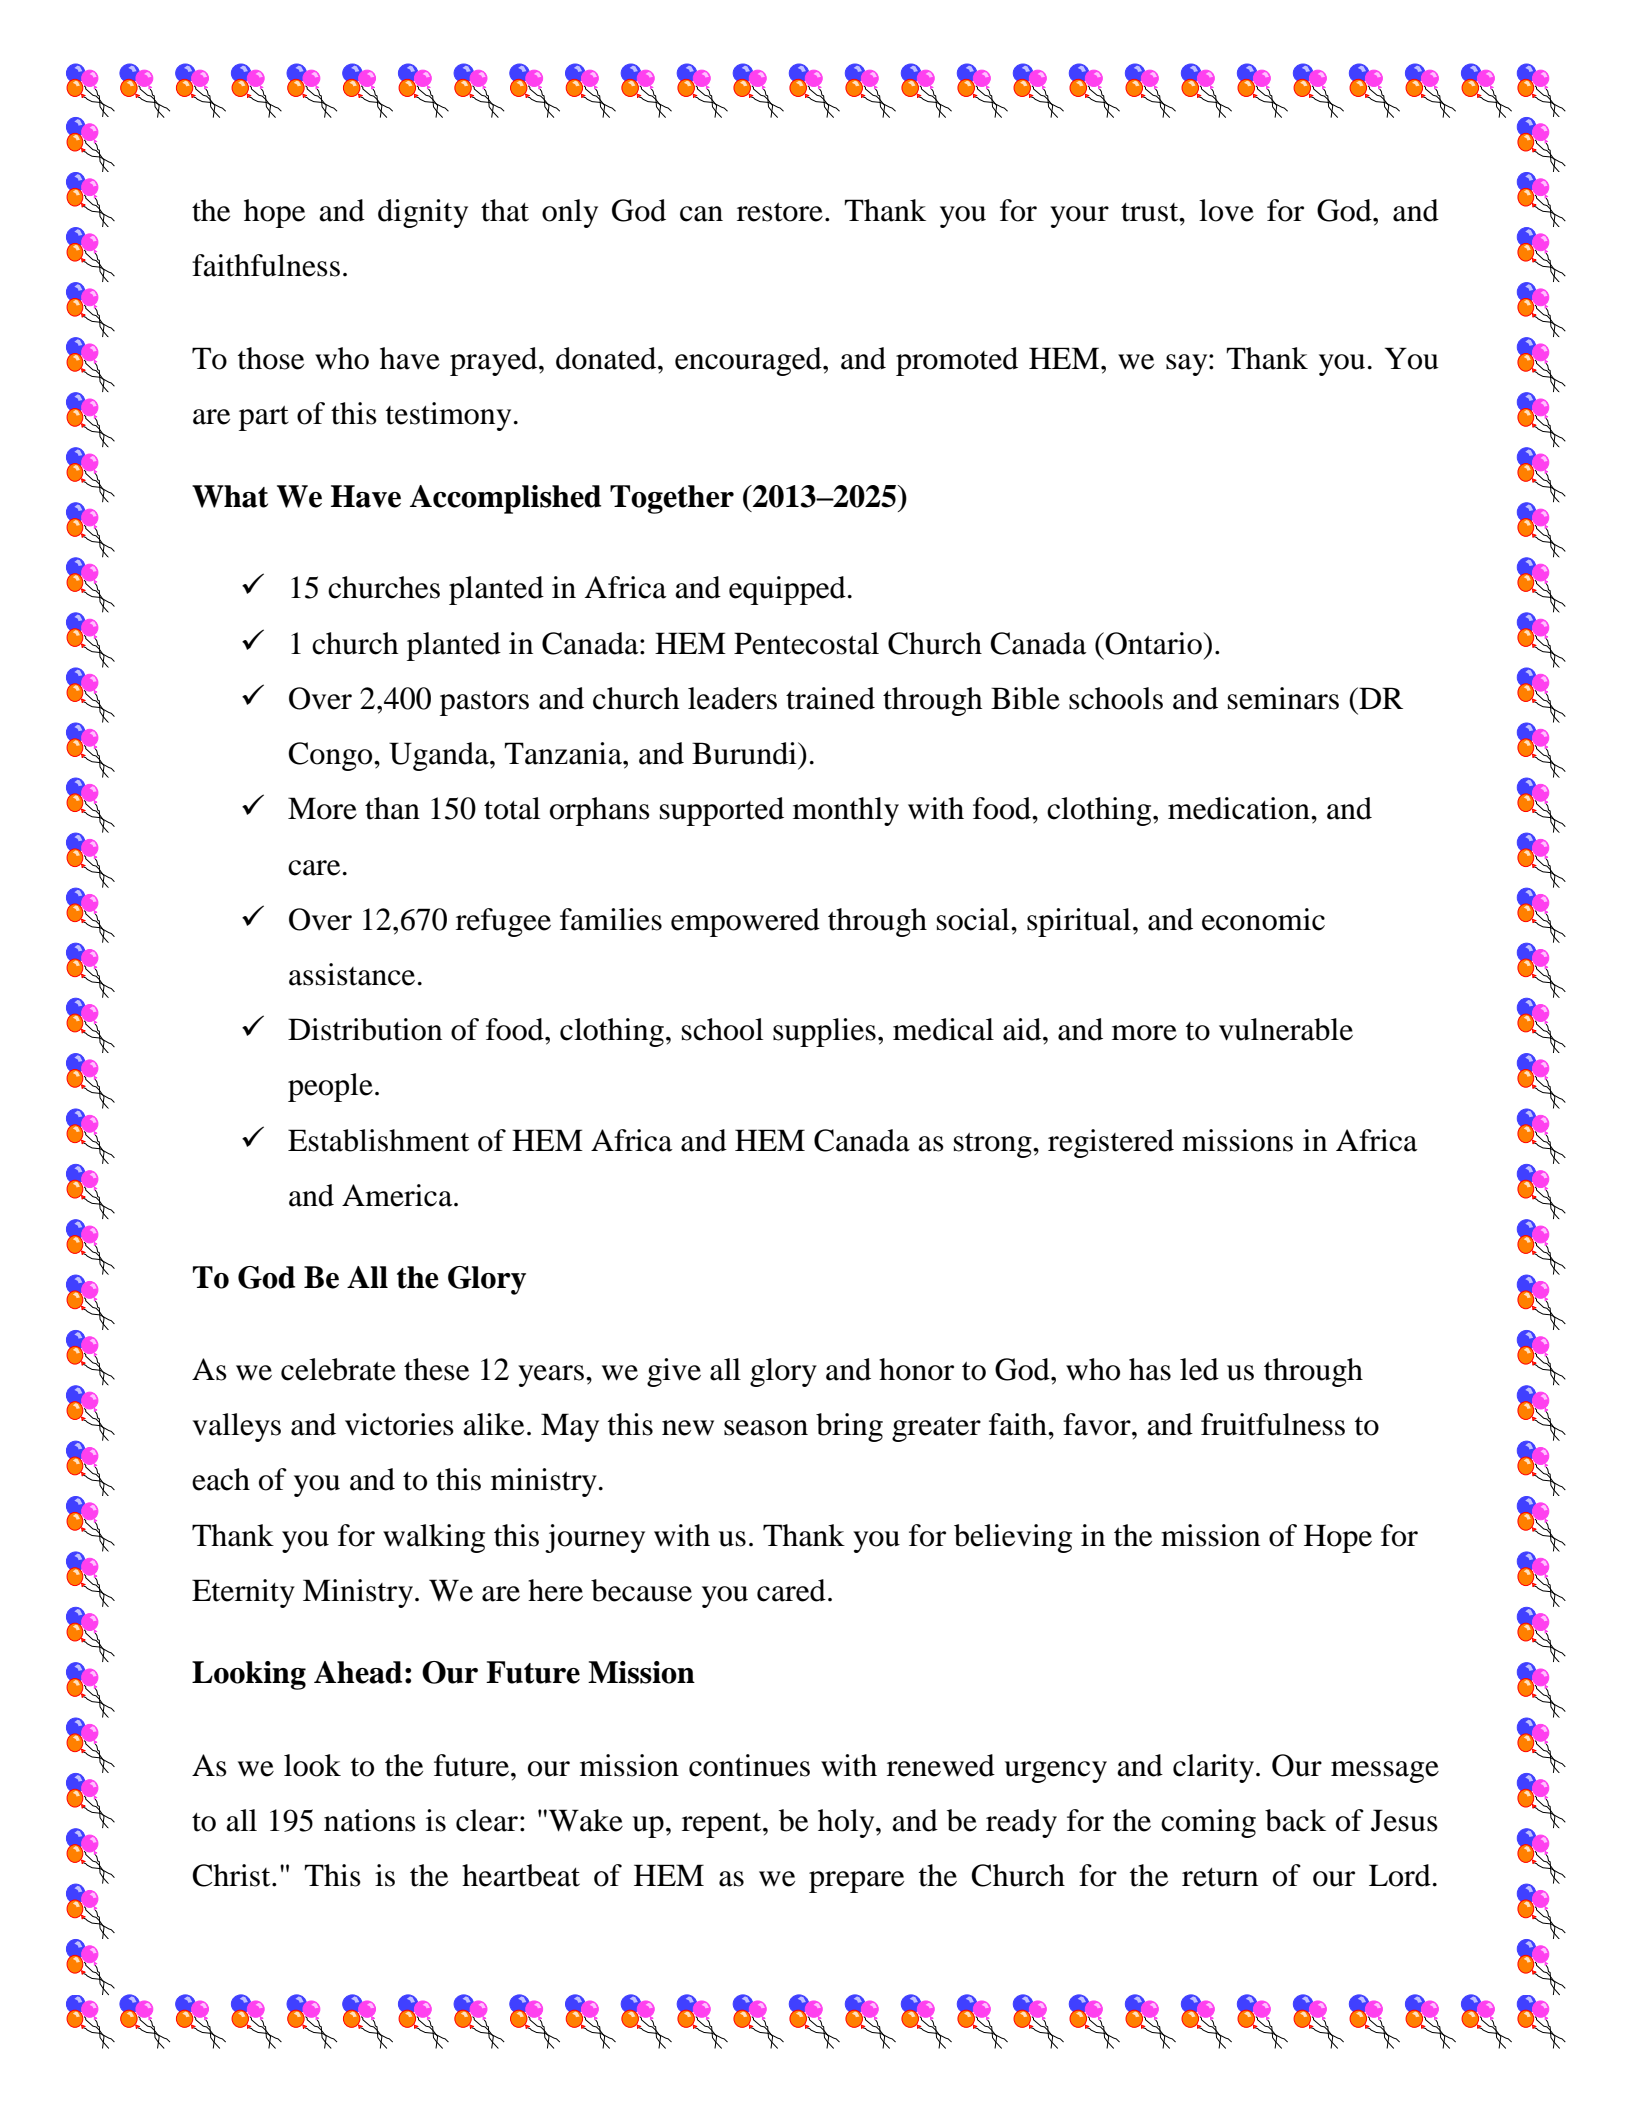

With Deepest Gratitude

We want to first express our sincere and everlasting thanks to Alfred Tobler and his family. From the beginning, your unwavering support has been the foundation of HEM's growth. Your prayers, guidance, mentorship, financial support, and international connections have strengthened our mission and helped shape our vision. May God richly and abundantly bless you and your entire household.

Secondly, we are profoundly grateful to Terry MacDonald and his dear wife Joan. Joan was the first “Muzungu” (White person) to ever visit our home in Uganda, bringing love and encouragement to our family. Together, Terry and Joan visited HEM projects and gave wise counsel, particularly around establishing a SACCO (Savings and Credit Cooperative) to empower our communities. Since 2021, Terry has continued to champion the needs of total orphans, seeking donors and advocating tirelessly. May God abundantly reward your compassion and commitment.

We also honor our dear brother Michael, who not only visited all HEM projects in the early days but also stood by me during my most dangerous moments; fighting for my release when I was kidnapped the first time, and supporting me through the second same incident as well. Your courage and loyalty are deeply appreciated. May God's blessing and protection always be with you.

We extend heartfelt thanks to everyone who has worked with HEM over these 12 years: Past and present team members, volunteers, advisors, and intercessors. Your labor has not been in vain. We also bless our beneficiaries: The orphans, widows, refugees, and pastors ; whose lives reflect

the hope and dignity that only God can restore. Thank you for your trust, love for God, and faithfulness.

To those who have prayed, donated, encouraged, and promoted HEM, we say: Thank you. You are part of this testimony.

To God Be All the Glory

As we celebrate these 12 years, we give all glory and honor to God, who has led us through valleys and victories alike. May this new season bring greater faith, favor, and fruitfulness to each of you and to this ministry.

Thank you for walking this journey with us. Thank you for believing in the mission of Hope for Eternity Ministry. We are here because you cared.

Looking Ahead: Our Future Mission

As we look to the future, our mission continues with renewed urgency and clarity. Our message to all 195 nations is clear: "Wake up, repent, be holy, and be ready for the coming back of Jesus Christ." This is the heartbeat of HEM as we prepare the Church for the return of our Lord.

We will continue to train pastors and church leaders through ISOM Bible School programs in both Africa and Canada, equipping them with sound doctrine and leadership skills. In addition, we will expand our support to vulnerable populations: Orphans, widows, homeless, and refugees; offering hope, dignity, and practical assistance. Together, we will continue to serve faithfully until Christ returns.

With heartfelt thanks
and blessings
