HEM Activities Report July 2023 “HEM 10 years Anniversary”

Dear donors and stakeholders,

Let me take this opportunity to appreciate the Almighty God for His provision and protection to HEM, and to enable our dear donors continue to support HEM projects. Still giving thanks to our Lord and to our dear donors within ten years, we are remembering that you helped us to achieve; spiritually, physically and in their Soul. Once again; thank you so much dear donors!

We appreciate so much all those who contributed to the achievement of HEM activities in July 2023.

We continue appreciating our caregivers who spent their efforts, time and resources to care for vulnerable total orphans up to now! We bless you abundantly!

HEM is still committed to caring for total orphans and elderly, promoting financial inclusion through saving culture, work/ business, training for church leaders and also evangelism for all. We are requesting our Dear donors, to let us remain committed and fight together to reach a big number of vulnerable people!

Together we shall make it happen!

May God bless you!
